

AGN. NO. _____

MOTION BY SUPERVISOR MICHAEL D. ANTONOVICH

MAY 24, 2005

At the request of the City of Pasadena, Senator Jack Scott is sponsoring legislation (SB 148) which would provide local government with the ability to effectively enforce local zoning ordinances related to liquor stores. Under current law, local governments can only enforce zoning ordinances related to liquor stores that were present when the liquor license was granted. SB 148 would give local governments the authority to enforce zoning standards after a liquor license has been granted.

I, THEREFORE, MOVE that the Board of Supervisors a five-signature letter to Senator Scott, with copies to the Governor and the County's Legislative Delegation, in support of SB 148.
